## LIQUID C.I.P. CLEANER PLUS

This product is a highly concentrated alkaline cleaner with chlorine that is specially formulated for "in place" cleaning of milk equipment. It contains water conditioners and soil suspending agents to prevent soil re-deposition on lines or equipment.

# DIRECTIONS:

Pipeline Cleaning:

#### CONCENTRATION

#### WATER HARDNESS

20 ml to 10 L (1 oz to 4 gallons US) 30 ml to 10 L (1 oz to 3 gallons US) 40 ml to 10 L (1½ oz to 3 gallons US)

0 to 14 grains 15 to 19 grains 20 to 35 grains
