

J476

TECHNICAL DATA SHEET

BLU-CLEAN

This product is an all purpose butyl cleaner-degreaser designed to clean almost any surface without harming plastic, vinyl, cloth or painted surfaces. It has a pleasant smell and is biodegradable and non-flammable.

It contains alkaline builders, water soluble solvents, emulsifiers, water softeners and highly active synthetic detergents.

DIRECTIONS:

For light duty cleaning of floors and walls: dilute with up to 100 parts of water.

For heavy duty cleaning and degreasing: dilute with 5 - 10 parts water.

FOR COMMERCIAL USE
